Présentation de l'éditeur After a life of pool hustling and living on the wrong side of the law, Ruby Elliott is living on the straight and narrow with sexy-as-all-hell NYPD detective, Troy Bennett. Now the only trouble Ruby has with the law is the naughty kind, pinned against the wall by Troy's strict and spectacularly hard body. Obeying his every command. Both of them losing themselves in a lust that borders on obsession...But then her father returns with an offer she can't refuse: one last hustle in exchange for information.

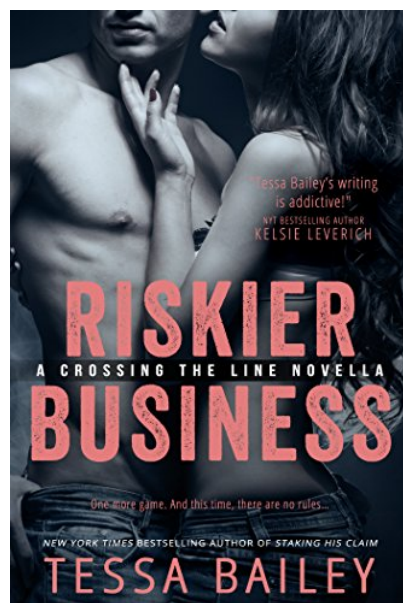

Information she'd die to have. As the pieces and the players of the game reveal themselves, Troy feels the fine edges of his control slipping—control he can't channel without hurting Ruby. The stakes are high, and the risk higher. Because losing this final game could cost more than Ruby's heart...it might cost her life.

Each book in the Crossing the Lines series is a standalone, full-length story that can be enjoyed out of order. Series Order: Prequel Novella: His Risk to Take Book .5: Riskier Business Book 1: Risking it All Book 2: Up In Smoke Book 3: Boiling Point Book 4: Raw Redemption

3.5 Stars -Par Coco. VRiskier Business is the enjoyable sequel of the Crossing the Line series and we are back following NYPD detective Troy Bennett and Ruby's story we met in the Line of Duty series. They are still two strong-willed people and stubborn hotheads. Together they are hotter than ever and I loved them even more than before after reading this book. There is only one thing that bothered me. All the characters from the Line of Duty series (from Book # 3 to # 5) are happily married and are even some starting a family, but Troy and Ruby (from book #2) are still in a girlfriend/boyfriend relationship. After all this time they never got married and we never got a chance to understand why. What happened there Ms. Bailey?
:DOverall I liked this book a lot. Tessa Bailey has a gift of keeping you glued to her stories and falling in love with her characters from the very beginning.
